**By:**

Walker County Extension  
Livestock & Pasture  
Committee

With Additional  
Support  
From:

**Deer season is HERE! Regardless if you are a hunter or a land manager, you need information to plan your management activities for the next year. This educational program will guide you into the practices which need to be implemented for an active management program benefiting native large mammals in our area.**

**We will offer 1 Hour of CEU credit for TDA Pesticide Applicators.**

- Making the decision to actively manage wildlife –does it fit you.**
- Setting your management calendar for the year.**
- Management Steps, Tools, & Practices to prepare for..**

Extension programs serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability or national origin. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.
